August 24, 2015

To Our Valued Customers:

The September 2015 surcharges are listed below. In line with industry-wide announcements, New Dimension Metals is instituting the following surcharges for the month of September 2015:

Product	Scrap	Manganese	Total
All carbon and alloy grades, including leaded grades:	\$4.25	\$0.09	\$4.34

Additional surcharges for specific alloys include:

	Nickel	Moly	Chrome	Total
40xx:	-	\$0.86	-	\$0.86
41xx:	-	\$0.68	\$0.72	\$1.40
43xx:	\$3.56	\$0.86	\$0.60	\$5.02
86xx:	\$1.07	\$0.68	\$0.38	\$2.13
52100	-	-	\$1.09	\$1.09

These surcharges are effective with shipments starting September 1, 2015 and apply to all grades, sizes and shapes. The surcharges will be updated on a monthly basis and will apply to all orders. Other grade specific surcharges may apply on some items.

If you have any questions, please call myself or your New Dimension Metals sales representative. Thank you for your business and support.

Best regards,

Randall R. Fox
Executive Vice President
